BEERS

GUINNESS

€ 3,50 - € 6,00

Ireland's most iconic beer—and arguably the world's most famous stout. Deep, almost black in colour, it is crowned with a dense, creamy white head. Rich notes of roasted coffee and dark cocoa give way to a pleasantly bitter finish, creating a truly unmistakable pint. **4,2%**

KILKENNY CREAM

€ 3,50 - 6,00

The authentic Irish Red Ale, brewed at Ireland's oldest brewery. Rich aromas of toffee and caramel immediately stand out, while the palate is smooth and full-bodied, revealing layers of roasted malt and hazelnut that create a perfectly balanced, exceptionally easy-drinking beer. **4,3%**

KILKENNY STRONG

€ 3,50 - € 6,00

A stronger double-malt red ale brewed in the city of Kilkenny at the historic Smithwick's brewery. Aromas of toasted toffee lead into a dry, full-flavoured palate, where delicate hints of hazelnut and roasted malt are complemented by a pleasantly bitter finish that gives this beer its distinctive character. **6,4%**

BULLDOG STRONG ALE

€ 3,50 - € 6,00

First brewed in 1947, this strong ale is known for its bold flavour that gradually unfolds with every sip. Rich notes of caramel and bitter almond dominate the palate, while roasted malt adds depth and body, creating a full-flavoured beer with a long, warming finish. **7,1%**

CASAMATTA SLIP

€ 4,00 - € 6,00

Crafted at the Casa Matta brewery in Enemonzo, Friuli, this unfiltered, gluten-free pilsner is brewed with premium Czech malts and a full mashing process that completely breaks down proteins and starches. The result is an exceptionally crisp, clean and refreshing beer with remarkable drinkability and a pleasantly dry finish. **5,0%**

GUINNESS BLONDE IPA

€ 3,50 - € 6,00

A golden, top-fermented beer that combines Guinness' Irish brewing heritage with the vibrant hop character of American IPAs. Bright fruity and citrus aromas lead into a smooth, well-balanced palate, softer than a traditional IPA, making it the ideal choice for anyone looking for a flavourful, aromatic beer that remains refreshing and easy to drink. **5,0%**

BEERS

HOP HOUSE 13

€ 3,50 - € 6,00

The first lager ever developed and brewed by Guinness in its own brewery, Hop House 13 is a refreshing, full-flavoured beer with a distinctly modern character. Delicate aromas of peach and apricot are complemented by subtle notes of malt and hops, leading to a crisp, clean palate and a satisfyingly dry finish. **5,0%**

MAES PILS

€ 3,00 - € 5,00

A classic Belgian pilsner inspired by the traditional Bohemian brewing style, still crafted with a large proportion of premium Czech malts. It delivers the clean, refreshing bitterness expected from a true pilsner, balanced by delicate floral aromas and subtle cereal notes that linger pleasantly on the palate. **5,2%**

ICHNUSA NON FILTRATA

€ 3,00 - € 5,00

Naturally hazy like a Sardinian summer evening, this unfiltered lager pours a golden, slightly cloudy colour beneath a smooth, creamy head. Fresh aromas of cereal, crusty bread and hay lead into a soft, rounded palate where rich malt flavours are balanced by a gentle bitterness, creating a remarkably smooth and well-rounded beer. **5,0%**

MESSINA CRISTALLI DI SALE

€ 3,50 - € 6,00

The unique character of this Sicilian lager comes from the addition of sea salt crystals harvested from the historic salt pans of Trapani. They enhance the beer's delicate aromas and bring out its bright citrus notes, inspired by the flavours of Sicily. Unfiltered and exceptionally refreshing, it offers a smooth, balanced finish. **5,0%**

BULLDOG STRONG LAGER

€ 3,50 - € 6,00

A bold, double-malt strong lager brewed for those who enjoy full-bodied beers with real character. Brilliant golden in colour, it offers intense aromas where rich malt and delicate hop notes come together in perfect balance. The palate is smooth, rounded and well-structured, finishing with a firm yet elegant bitterness that leaves a lasting impression. **8,7%**

LAGUNITAS IPA

€ 3,50 - € 6,00

A bold and well-balanced Imperial India Pale Ale brewed with classic American C-hop varieties. Bright citrus and tropical hop flavours are perfectly complemented by a rich caramel malt backbone, creating a beer that is intensely aromatic, full-bodied and exceptionally smooth despite its strength. **6,2%**

Our pizzas are made using flours produced within a Solidarity Economy District project. This inclusive initiative aims to involve as many members of our local community as possible throughout the supply chain, including small businesses, artisans, families and community groups.

In this way, producers are able to see their work recognised and valued, while consumers enjoy a wholesome product that is made with respect for the environment we all share.
